Colleagues,

I pass along this message forwarded from the Ecological Society of America's listserve. Certainly, this has relevance to avian ecologists in Pennsylvania.

Ken Klemow

"My attention was first thoroughly aroused by comparing together the various specimens ... of the mocking-thrush"

-- Charles Darwin, Voyage of the Beagle

The Pennsylvania Biodiversity Listserve encourages open discussion about biodiversity issues in the state. It is hosted by the Allegheny Institute of Natural History, University of Pittsburgh-Bradford and is moderated by the Pennsylvania Biodiversity Partnership. The opinions expressed in messages are those of the authors and NOT the Pennsylvania Biodiversity Partnership.
