Wildlife Biologist, Camp Hill, PA

A.D. Marble & Company, Inc., a rapidly growing, mid-sized environmental consulting and planning firm specializing in transportation projects, is currently seeking a full-time Wildlife Biologist to work in our Camp Hill, PA office.

Candidates should have a BS in Biology, Wildlife Biology, Natural Resource Management, or a closely related field (MS preferred) with 3-5 years of experience. Applicants should have strong natural history skills, be able to identify birds by sight and sound, be prepared to travel, and work early morning hours. Other wildlife certifications and experience a plus. This position may also include wetland and surface water studies, NEPA clearance, Section 4(f) evaluation, and the preparation of environmental documents. The applicant must have a proven work history, excellent written and verbal communication skills, and strong computer aptitude.

A.D. Marble & Company offers a competitive salary and comprehensive benefits package including 401(k), profit sharing, company-paid medical and dental plans, vacation and sick leave, tuition reimbursement, and employee stock ownership. A.D. Marble & Company is an equal opportunity employer.

Please e-mail, fax or mail resume and letter of interest stating salary requirements to: [jobs@admarble.com](mailto:jobs@admarble.com)
