11/19/2002: Service Extends Due Date For Proposals For Funding Under Its Private Stewardship Grants Program

The U.S. Fish and Wildlife Service today announced a new deadline of January 15, 2003, for the submission of proposals for funding under the new Private Stewardship Grants Program. This program will provide a total of \$10 million in federal grants to private landowners to implement conservation projects for endangered, threatened and other at-risk species. On October 1, 2002, the Service issued a request for proposals and announced final implementation guidelines for the fiscal year 2002 ...

The Pennsylvania Biodiversity Listserve encourages open discussion about biodiversity issues in the state. It is hosted by the Allegheny Institute of Natural History, University of Pittsburgh-Bradford and is moderated by the Pennsylvania Biodiversity Partnership. The opinions expressed in messages are those of the authors and NOT the Pennsylvania Biodiversity Partnership.
